MURRAYFIELD OPENS 2020

Following the cancellation of our 2020 Open due to Coronavirus we sent an e mail to every skater who had supplied an e mail on their entry form. This gave details of how to claim your refund for the entry fee and was sent on 19th March.

Despite being sent in small batches, it appears that some may have gone into spam boxes. If you have not received your e mail, please check your spam box and if it is not there or if you have deleted it, please e mail us on miscopenentries@yahoo.com.

We would like to thank the huge number who have responded so far and who should now have received their refund into the bank account supplied to us. Some were contacted again last week following a response from the bank to check details. If you received this personal e mail and have not yet responded please can we ask you to do so as soon as possible.

MISC would like to finish the refunds as speedily as possible so would ask for your help in supplying details as soon as possible if you have not done so. We apologise if anyone has not received the e mail but ask you to contact us and we will send it again.

We thank you all for your patience and co-operation in what was a massive task for us and look forward to seeing you all again in 2021. We are very grateful for the many messages of thanks and appreciation we have received over the last 2 weeks. This has shown the support and strength that we give to each other as part of the skating community, so much more important when we are apart and going through such a dreadful time in the World.

MISC hope you are all safe and well and finding other ways to keep up your enthusiasm during difficult months. Stay safe, hard as it is for active people who are not used to staying at home!

Hope to see you in 2021!

The Committee of MISC
