

Murrayfield Ice Skating Club MISC Annual Exhibition Show Event

Suggestions for the Theme for the 2017 Exhibition Show Event

As we have done in the past the MISC Annual Exhibition Show event will be based around a common theme. In the past we have just asked members their thoughts and then considered which of these should be the theme. This year we are making this process a little more formal with a formal.

All members are invited to make suggestions for the theme of the next MISC Exhibition Show which will be held early in 2017.

When making suggestions remember it is not just for one number but for all of the programs that will make up the event which will include group numbers as well as individual performances

When making your suggestions remember there can be only one theme for the event.

The theme for the 2106 show was MUSICALS so that is not an option available for the theme for the 2017 exhibition show.

Suggestions can be on form or by email to events@murrayfield-isc.co.uk.

Name	Membership Number
1.	
2.	

The committee will consider all the suggestions received by Sunday 11th September and make an announcement as to the theme chosen at the beginning of October.

Please have suggestions in by Sunday 11th September 2016.
