All positions on the committee are elected each year this includes the office bearer positions (Chairman, Vice-Chairman, Secretary and Treasurer) as well as seven Committee members. This is an excellent opportunity to be involved in the Club for eligible Full and Recreational members of the Club. As well as attending and taking responsibilities at the club sessions on a Sunday members of the committee are expected to attend committee meetings (approximately 7 per year, usually on a Tuesday evening) and assist at all the club run events (including the clubs Open competitions).

The AGM will take place immediately after the Club Session – but tea and coffee will be available. We do hope that as many members as possible will attend the meeting and we look forward to seeing you there.
